Gothia Cup 2023

July 15th – 23rd

The World Youth Cup

Gothia Cup is the world's largest and most International youth football tournament. Each year, around 1700 teams from 80 nations take part and they play 4500 matches on 110 pitches.

Get The Real European Soccer Experience

Swedish soccer is one of TechFit's special areas of expertise. Chris Harris finished his professional playing career in Sweden, a place he came to call home. This summer, Chris Harris & TechFit is bringing two teams (2010 Boys and 2011/2012 Boys) to his former stomping grounds to get the real European soccer experience.

Each team will have one coach and one chaperone present at all times during the trip. We take off from SFO on the morning of July 15th and arrive in Gothenburg late in the evening.

The teams, coaches, and chaperons will be fully accommodated in school rooms close to the fields with three meals daily. The itinerary holds space for leisure activities after the games.

In their off-time, the teams will have the possibility to explore the city and visit Liseberg, the largest amusement park in Northern Europe.
